Karen Haas, Clerk of the House
Office of the Clerk
U.S. Capitol, Room H-154
Washington, DC 20515

Dear Ms. Haas:

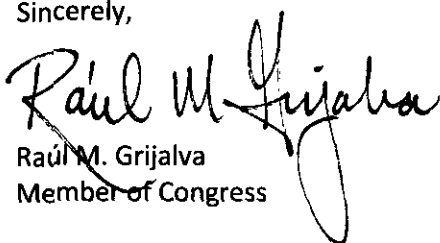

I write to advise you of an asset that has been included in my 2010 Financial Disclosure, but has not appeared in prior years' disclosures. I recently discovered during a review of my finances for retirement planning purposes that I have a retirement account from my time on the Pima County Board of Supervisors. I have an Elected Officials Retirement Plan administered by the Public Safety Personnel Retirement System, which I contributed to during my 13 years of service to Pima County, Arizona. When I left the County, I stopped making contributions and have never drawn from this account. The current value of this account is the same as when I terminated my employment on February 17, 2002. I would like to amend all of my annual financial disclosures for calendar years 2002 through 2009 to reflect the omitted asset on Schedule III, "Assets and Unearned Income", as follows:

ASSET	YEAR END VALUE	TYPE OF INCOME	AMOUNT OF INCOME	TRANSACTION
Public Safety Personnel Retirement System (not self- directed)	\$15,001 - \$50,000	NONE	NONE	N/A

In addition, I want to advise you of a correction that has been made on my 2010 Financial Disclosure. There was a misunderstanding in the past by those who prepared my filings in that one of my retirement accounts, The Arizona State Retirement System, was listed as my spouse's account. This account is mine and should be identified in years 2002 through 2009 as such.

Thank you for your assistance.

Sincerely,

Raúl M. Grijalva
Member of Congress
